**HALLMARK CHANNEL ORIGINAL PRIMETIME SERIES  
'WHEN CALLS THE HEART'  
SEASON TWO FINALE  
Episode #2007 – Saturday, June 13 (8pm ET/PT, 7C)**

**WHEN ELIZABETH AND JACK FACE A LIFE-THREATENING EXPERIENCE TOGETHER,  
AND FINALLY DISCOVER THE TRUTH ABOUT WHAT HAS BEEN  
KEEPING THEM APART, LATER ALL OF HOPE VALLEY WITNESSES  
A SHOCKING ARREST AND AN UNEXPECTED PROPOSAL**

In **With All My Heart**, a special two-hour season finale episode finds the residents of Hope Valley still searching for answers to the most pressing questions of the heart. Elizabeth (Erin Krakow) and Jack (Daniel Lissing) are at odds after returning from Hamilton, but when Jack's dog Rip gets lost in the middle of a violent storm, they set out to find him before taking shelter in an old mine tunnel. Trapped together, Elizabeth and Jack narrowly escape danger, prompting them to get to the heart of the matter that has been keeping them apart. Meanwhile, Gowen (Martin Cummins) is threatening to shut down the café if Abigail (Lori Loughlin) doesn't finish a long list of demanding repairs. Abigail is grateful when the charming Pastor Frank (Mark Humphrey) offers to help—but a confession about his past could make Abigail second-guess their new connection.

Then, after Jack arrests a third counterfeiter in town, Bill (Jack Wagner) returns to Hope Valley under the guise of working the investigation, while seemingly falling deeper into corruption. Tipped off to her husband's whereabouts, Nora (Kristina Wagner) shows up in hopes of mending their marriage—and keeping Abigail away—but Nora's history with her surprising informant complicates her feelings. As Bill evades Nora's attempts to reconcile, he faces an even bigger problem. Then, just as Jack captures a special memory for Elizabeth and her schoolchildren, he plans to make a bold new proposal for their future.
