Life is good in the peaceful town of New Chapel, but when an SUV rams her prized vintage car, she's determined to track down the driver. She begrudgingly accepts the help of a new neighbor, the handsome and charming ex-Marine Marco Salvare (Elliott). But their budding relationship is threatened when an acquaintance is murdered and Abby's good friend is the prime suspect -- and it all links back to the hit and run. Caught up in a tangle of menacing phone calls, police corruption and murderous road rage, Abby must work against the clock to find the killer or the next flower arrangement might be for her own funeral.

Jennifer expects to find a few exquisite pieces for her store, "Rags to Riches," but she doesn't expect to find a dead body. To make matters worse, Sandra is arrested for murder. Jennifer has no choice but to get involved and find the real killer to prove her friend's innocence. This won't be an easy case to crack, because cleverly planted clues all point to Sandra.
