**Jen Lilley, Brant Daugherty and Lindsay Wagner Star**

STUDIO CITY, CA –October 15, 2018 – Jen Lilley (“Days of Our Lives,”), Brant Daugherty (“Pretty Little Liars”) and Lindsay Wagner (“The Bionic Woman”) star in **“Mingle All the Way”** a new, original movie premiering **Saturday, December 1 (8 p.m. ET/PT)** on Hallmark Channel as part of the network’s #1-rated programming event, COUNTDOWN TO CHRISTMAS. Hallmark Channel is historically the #1 television network in all of Q4.

When Molly Hoffman (Lilley) launches a new social media app that pairs busy singles with “strictly platonic” partners for all the social commitments of the holiday season, she becomes one of its test users in the hope of winning over a potential investor with her positive experience. Molly is matched by the Mingle All the Way app with handsome Jeff Scanlon (Daugherty), an ambitious advertising executive who wants the right woman on his arm during the holidays to impress his boss. Initially put off by each other, Molly and Jeff soon accept the match as a success, since it meets both their needs for social companionship. They take things a step further when Jeff introduces Molly as his girlfriend to the boss, and Molly presents Jeff as her new boyfriend to the family, hoping to somehow satisfy her mom, Veronica (Wagner), who wants Molly to give up her tech venture and rejoin the Hoffman family accounting firm. The app is proving to be a success, and everything is working smoothly until the one thing neither of them expected – a genuine attraction – diverts their plans for the fake relationship, and they find themselves facing professional disasters while clearly falling for one another.

“Mingle All the Way” is from Crown Media Productions, LLC. Kim Arnott serves as executive producer. Ivan Hayden is producer. Allan Harmon directed from a script by Samantha Herman.
