A hard-living outlaw finds a chance for redemption when a loving family comes into his life in "The Redemption of Henry Myers," a Hallmark Movie Channel Original World Premiere Sunday, March 23 (9p.m. ET/PT, 8C). Drew Waters ("Friday Night Lights") and Erin Bethea ("Fireproof") star with Jaden Roberts ("Brother's Keeper"), Ezra Proch ("Seven Days in Utopia"), Beau Smith ("Deep in the Heart") and Rio Alexander ("The Last Stand") in this prairie love story from Executive Producer Rick Santorum.

Henry Myers (Waters) is living a hard life, surviving on the frontier any way he can – even if it means robbing a bank. After his latest heist backfires and his partners (Smith and Alexander) betray him and leave him for dead, Henry's life takes a surprising turn when he finds kindness and compassion from a widow (Bethea) and her children (Roberts and Proch).

With this family's influence and support, Henry begins to question the choices he's made in his life. Just as things begin to make sense, Henry's life is shaken again when his old partners show up. Will Henry Myers seek the revenge he desires or finally find his redemption?

"The Redemption of Henry Myers" is a Clayton Miller Film: TROHM Production. Rick Santorum is the executive producer. Chad Gundersen is the producer. Clayton Miller directed from a script he wrote with Chris Vanderkaay and Charlie Shahnaiian. "The Redemption of Henry Myers" received a 5 out of 5 Dove Seal of Approval 12+ by The Dove Foundation. "This is a terrific movie with a twist, great action, and the theme of redemption!" said The Dove Foundation.
